The Oinkster, a fast-casual concept from acclaimed fine-dining chef Andre Guerrero, invites diners to kick back and enjoy high-quality American classics in a relaxed, modern and fun environment. Here at The Oinkster we make everything from scratch. From the ketchup to pastrami, everything is prepared in house. We put a lot of extra work into our food for a quality you can't get anywhere else.

Our pulled pork is smoked in house for 12 hours and our house cured pastrami for 6. We hand press our 1/3lb burgers from Grade A Nebraska Angus beef. The Belgian fries are hand cut Kennebec Potatoes, twice fried to give it that extra crunch. We use local Fosselman's Ice Cream for our hand scooped milkshakes and malts.

BEER & WINE

Please ask for our current selections of craft beer and wine. We always have something to offer from local favorites Craftsman Brewing or Eagle Rock Brewery.
